

Environmental Protection Policy Statement.

The Board of Directors recognize their duties with regard to Environmental Protection Legislation. We will meet and, where appropriate and feasible, improve upon the requirements of all relevant legislation and any other requirements to which our organization subscribes to. Sufficient resources will be made available to enable us to achieve our objectives and targets.

We are committed to maintaining the quality of life of the local community in which we are based and to those communities, in which our projects take place, having taken into account project and client's requirements.

President Engineering Group Limited is committed to minimizing the impact of its operations, and will strive to continually improve and prevent pollution of the environment.

We wish to minimize the effects on the global environment by conserving resources, particularly those which are scarce or non-renewable.

We will provide the information necessary to enable the company's used products to be used, stored, and disposed of so as to avoid unacceptable effects on man or the environment.

OBJECTIVES:

To reduce generation of general and hazardous (special) wastes.

To increase the percentage of general waste being recycled.

To reduce wastage of core materials.

TARGETS:

Year on Year reduction of energy usage (relative to production level).

Year on Year reduction of non-recycled waste (relative to production level).

MONITORING & AUDITING:

Process shall be monitored by Environmental meetings.

MANAGEMENT INVOLVEMENT:

Managers at all levels throughout the company must take individual responsibility to ensure that environmental issues are considered carefully when making decisions or when tendering, purchasing and controlling work.

WORKFORCE INVOLVEMENT:

All employees will be made aware of their individual responsibilities for acting in accordance with the company's environmental policy.

ENVIRONMENTAL TEAM:

The company has appointed an Environmental Team to act as co-ordinators.

Approved by Managing Director:

A handwritten signature in blue ink, appearing to read 'M. Atkinson'.
